I do not know what is available yet to ask for. Perhaps we will get some idea next week.

I still we have to work through Jay. He knows better, and Frank all over the place.

Here is a link to the story I heard last fall. \$4.2M mitigation (2076 acres) An accompanying table outlines all the resource effects being mitigated

<http://www.mainepublic.org/post/cmp-offers-42-million-state-environmental-effects-proposed-transmission-line>
